

NSF Postdoctoral Fellowships

As of October 29, 2002

Fellowship Name/Prog Ann #	Program Director/Phone#	# Awards	Tenure	Monetary Support	
				Stipend	Allowances
NSF-NATO Postdoctoral Fellowships in Science and Engineering for Scientists from Partner Countries, NSF XX-XXX Deadline: 1 st Tues. in Dec.	Dr. Terry Woodin (703) 292-8697 Carolyn L. Piper (703) 292-8697	Approx. 20	12 months	\$33,000	\$200/mo dependent allowance \$2,500 travel allowance + extra for dependents (except to Canada & partner countries); \$1,200 institutional allowance \$1,200 research/special travel allowance
Minority Postdoctoral Research Fellowships and Supporting Activities, NSF 00-139 Deadline: 1 st Mon. in Dec. annually	Carter Kimsey (BIO) (703) 292-8470 John Perhonis (SBE) (703) 292-8763	Bio/10-15 SBE/1-4	24 to 36 months	\$36,000/yr	\$9,000/yr special allowance \$5,000/yr institutional allowance
Postdoctoral Research Fellowships in Interdisciplinary Informatics, NSF 98-162 Deadline: : Nov. 4, 2002	Carter Kimsey (703) 292-8470	Up to 20	24-36 months	\$36,000/yr	\$9,000/yr special allowance \$5,000/yr institutional allowance
Postdoctoral Research Fellowships in Microbial Biology, NSF 99-142 Deadline: 1 st Mon. in Oct. annually	Carter Kimsey (703) 292-8470	Up to 20	24-36 months	\$36,000/yr	\$9,000/yr special allowance \$5,000/yr institutional allowance
RIDGE 2000 Postdoctoral Fellowships, NSF 02-011 Deadlines: Feb. 15, 2002; Subsequent submissions will be accepted by August 15 and February 15 in successive review cycles	Dave Epp (703) 292-8582	10	24 months	\$50,000/yr	\$5,000/yr research allowance \$7,200 (\$300/mo) institution allowance
Mathematical Sciences Postdoctoral Research Fellowships, NSF 01-126 Deadline: 3 rd Fri. in Oct. annually	Lloyd Douglas (703) 292-4862	30-35	Total of either two academic yrs' FT support, or one acad. yr FT and two acad. yrs' half-time support (also includes three two-month summer periods)	\$96,000/18 academic months+6 summer mos.	\$4,500 host inst. allowance for research \$7,500 research allowance for fellow No dependent allowance (NSF recommends employee health benefits come out of inst. allowance).
International Research Fellowship Program, NSF 02-149 Deadline: 2 nd Tues. in Oct. annually	Susan Parris (703) 292-7225	30-50	3 to 24 months (half of the duration can be used for re-entry back to the U.S.)	Up to \$54,000/yr	Institutional allowance up to 10% of award; in-country travel, \$3,000 for return professional visit, field expenses, materials and equipment; relocation allowance up to \$5,000; health insurance allowance - \$150 a month; dependent allowance (\$150 per month per dependent plus \$50 for health insurance) and language training.
NSF Astronomy & Astrophysics Postdoctoral Fellowships, NSF 00-136 Deadline: 2 nd Wed. in Oct. annually	Eileen D. Friel (703) 292-4895	Up to 10	Up to 3 years	\$45,000/yr	Research allowance: \$10,000/yr Institutional allowance: \$5,000/yr

NSF Postdoctoral Fellowships

As of October 29, 2002

Fellowship Name/Prog Ann #	Program Director/Phone#	# Awards	Tenure	Monetary Support	
Postdoctoral Industrial Fellowship Awards (ENG) (GOALI initiative), NSF 98-142 Deadline: throughout the year	Donald Senich (703) 292-7082	80	Up to 2 years	\$42,000/yr (NSF provides 67% of stipend while industrial sponsor is expected to provide remaining 33% as matching funds.)	Transportation/moving expenses (limited to \$3,000); up to 10% of total budget allowance for use by faculty adviser for research-related expense; up to 10% of total indirect cost for sponsoring institution for administrative expenses.
Science and Technology Studies, NSF 01-159 Deadline: Feb. 1 & Aug. 1 annually	Bruce E. Seely (703) 292-7283	60-65	Up to 2 years total	\$36,000 per year	Research and travel allowance - up to \$3,000/year Institutional allowance of \$3,000/year (in lieu of indirect costs)
MPS Distinguished International Postdoctoral Research Fellowships (MPS-DRF), NSF 01-154 Deadline: 2 nd Wed. in Oct. annually	John Stevens (703) 292-4948 Lynne Walling (703) 292-8104	Up to 20	Up to 24 Months	\$100,000 per year
